

BECOME A NATURALIST WITH THIS FUN LOCAL ACTIVITY!

Instructions

1

Search for the podcast “Cráneo: Ciencia para niños curiosos” and listen to the instructions in the episode “English Episode: Latino Conservation Week Activity!” on Spotify, Apple Podcasts, YouTube, or Amazon Music.

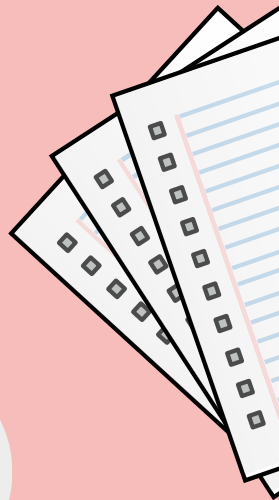

2

Print the activity page

3

With an adult, take the page and a marker, pen or pencil to a nearby park

4

Look for an example of each species and check them off as you find them. See if you can find them all!

5

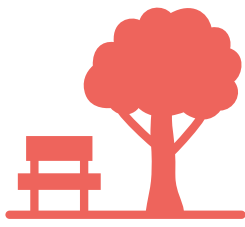

Adults: If you'd like, take photos of what you find in your park and upload them to the “Cráneo + Semana Latina de la Conservación” project on iNaturalist, along with other families from around the world!
