

ADULTS: GUIDE TO PARTICIPATE IN THE INATURALIST PROJECT

1 Download the iNaturalist app on your cell phone and create an account

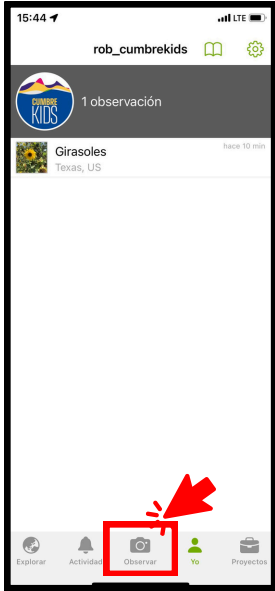

2 Search for and join the project “Cráneo + Semana Latina de la Conservación”

ADULTS: GUIDE TO PARTICIPATE IN THE INATURALIST PROJECT

3 Make 'observations' of wildlife using your camera and upload photos to the project on iNaturalist

 Upload a photo

Enter the information about your observation! If you don't know the species, you can leave the information blank and the iNaturalist community can help you!

You can change the privacy settings to keep your exact location private!

Choose the project "Cráneo + Semana Latina de la Conservación"

4 You can see all the observations on the project page!
