COVENANTS

Section 5.1 *Access to Information*

(a) Following the Closing, Buyer and its Affiliates shall permit, to the extent permitted by Applicable Law, Seller and its authorized representatives, to have reasonable access to information regarding the Business relating to periods up to and including the Closing which is reasonably requested by Seller, provided, however, that any such investigation shall be conducted, to the extent practicable, after reasonable notice and during normal business hours under the supervision of Buyer's personnel and in such a manner as to maintain the confidentiality of this Agreement and the transactions contemplated hereby and shall not interfere unreasonably with the operations of the Business or the other businesses of Buyer and provided, further, that Buyer shall not be required to furnish or make available such books, records or data to the extent that such disclosure would jeopardize applicable attorney-client privileges.

(b) Following the Closing, Seller and its Affiliates shall permit, to the extent permitted by Applicable Law, Buyer and its authorized representatives, to have reasonable access to information regarding the Business relating to periods up to and including the Closing which is reasonably requested by Buyer, provided, however, that any such investigation shall be conducted, to the extent practicable, after reasonable notice and during normal business hours under the supervision of Seller's personnel and in such a manner as to maintain the confidentiality of this Agreement and the transactions contemplated hereby and shall not interfere unreasonably Seller's business operations and provided, further, that Seller shall not be required to furnish or make available such books, records or data to the extent that such disclosure would jeopardize applicable attorney-client privileges.

(c) In connection with the Specified Lawsuit, Buyer and Seller will: (1) co-operate with each other and preserve and maintain all reasonably available documents and electronic information relating to the Business; (2) permit each other, and their authorized representatives, reasonable access to such documents and electronic information for purposes relating to the Specified Lawsuit, and; (3) make such documents and electronic information available for inspection, copying and presentation in the Specified Lawsuit, provided that appropriate protections are in place to preserve the confidentiality of such documents and electronic information.

(d) All information concerning the Business furnished or provided by Seller or its Affiliates to Buyer or its representatives (whether furnished before or after the date of this Agreement) shall be held subject to the mutual confidentiality agreement between Seller and Buyer, dated as of June 13, 2007 (the "**Confidentiality Agreement**").

Section 5.2 *Consents*

(a) Each of Seller and Buyer shall cooperate, and use its commercially reasonable efforts, to make all filings and obtain as promptly as possible all licenses, permits, consents, approvals, authorizations, qualifications and orders of governmental authorities and, subject to the provisions of Section 5.2(b) below, other third parties necessary to consummate the transactions contemplated by this Agreement and the Ancillary Agreements; provided, however, that such cooperation shall not include any requirement of Seller or any of its Affiliates to expend money, commence, defend or participate in any litigation, incur any obligation in favor of, or offer or grant any accommodation (financial or otherwise) to, any governmental authority. The parties shall keep one another informed and consult with one another regarding all material communications and developments associated with seeking the consents, approvals, authorizations, qualifications and orders contemplated by this Section 5.2(a).

(b) To the extent that transfer or assignment hereunder by the Seller to Buyer of any Purchased Contract is not permitted or is not permitted without the consent or approval of another person, this Agreement shall not be deemed to constitute an undertaking to assign the same if such consent or approval is not given or if such an undertaking otherwise would constitute a breach thereof or cause a loss of benefits thereunder. Seller (and Buyer where required) shall use its commercially reasonable efforts to obtain any and all such third party consents or approvals under each Purchased Contract; provided, however, that neither Seller nor Buyer shall be required to pay or incur any cost or expense to obtain any third party consent or

approval that it is not otherwise required to pay or incur in accordance with the terms of the applicable Purchased Contract, except for usual legal fees and expenses. If any such third party consent or approval for the assignment or transfer of a Purchased Contract is not obtained before the Closing and Buyer elects, in its sole discretion, to waive its condition to Closing with respect to any such Purchased Contract listed on Schedule 6.1(j) of the Disclosure Schedules, Seller shall use its commercially reasonable efforts to cooperate with Buyer in any reasonable arrangement designed to provide for Buyer after the Closing the benefits intended to be assigned to Buyer under the applicable Purchased Contract, including enforcement at the election, direction, cost and for the account of Buyer of any and all rights of Seller against the other party thereto arising out of the breach or cancellation thereof by such other party or otherwise; provided that Buyer shall (i) undertake to pay or satisfy the corresponding Liabilities for the enjoyment of such benefit to the extent that Buyer would have been responsible therefor hereunder if such consent, waiver or approval had been obtained and (ii) indemnify and hold harmless Seller and its Affiliates for any costs, expenses or Liabilities (including legal fees and expenses) incurred by them in connection with such enforcement of such Purchased Contract. Upon obtaining the requisite third party consents thereto, such Purchased Contracts shall be transferred and assigned to Buyer hereunder.

(c) Except as set forth in Section 5.2(b) above, Seller and its Affiliates shall not have any liability or obligation whatsoever to Buyer arising out of or relating to the failure to obtain any consents or waivers that may be required in connection with the transactions contemplated by this Agreement or because of the termination of any Purchased Contract.

Section 5.3 *Reasonable Efforts*

Except as otherwise set forth in this Article V, each of Seller and Buyer shall cooperate, and use its commercially reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable under Applicable Law to consummate the transactions contemplated by this Agreement and the Ancillary Agreements (including, without limitation, identifying and obtaining all necessary consents and approvals) in accordance with the terms hereof and thereof to give effect to the transactions contemplated herein and therein.

Section 5.4 *Public Announcements; Other Communications*

Except with the prior consent of the other party (which consent shall not be unreasonably withheld or delayed), no party shall issue any report, statement or press release or otherwise make any public statements with respect to this Agreement or the transactions contemplated hereby, except for (i) an initial press release to be issued by any party hereto following the execution of this Agreement, the contents of which shall be subject to the reasonable approval of Buyer or Seller, as the case may be, it being understood and agreed that the text of such release may be thereafter used, in whole or in part, so long as the text as agreed upon by the parties is not materially altered, in any public statement in which any party may thereafter issue or authorize and (ii) as in the reasonable judgment of such party may be required by Applicable Laws or the listing standards of any stock exchange on which its securities are traded.

(a) Seller acknowledges that the use by Seller of customer and supplier lists, know-how, goodwill and other proprietary business information and trade secrets of the Business in a business or activity that competes with the Business (as established below) would provide the competing business with an unfair advantage over the Business. Accordingly, Buyer wishes to restrict Seller's use of such information and its ability to compete with Buyer. Seller agrees, in consideration for the Purchase Price, to comply with the terms of this Section 5.5, all of which are reasonable and necessary to protect the confidential business information and trade secrets being acquired by Buyer and to prevent any unfair advantage from being conferred upon a competing business of Buyer. For a period of three years after the Closing (the "**Restriction Period**"), neither Seller nor its Affiliates (other than shareholders) shall directly or indirectly (1) operate any Website the principal focus of which is the sharing, printing or storing of photographs (a "**Prohibited Business**"), (2) own an interest in, finance, manage or control or be an equity holder of, any Prohibited Business or (3) engage in any practice the purpose or effect of which is to intentionally evade the provisions of this covenant; provided, however, that nothing set forth in this Section 5.5 shall prohibit Seller or its Affiliates (other than shareholders) from (x) passive investments in the securities of any entity that Seller does not participate in, manage, operate or control that may directly or indirectly be engaged in any Prohibited Business the foregoing is further limited to investments in privately-held entities equal to 20% or less and in publicly-held entities equal 5% less, each of the outstanding securities of such entity, (y) acquiring a Prohibited Business as part of an acquisition (including, without limitation, by means of an asset purchase, stock purchase, merger, consolidation or other form of corporate reorganization) of another business or person (an "**Acquired Business**"); provided that, if the Acquired Business has in excess of one million unique visitors per month for the most recently completed fiscal year for such Acquired Business or more than 15% of the consolidated revenues of such Acquired Business are derived from the Prohibited Business, then Seller and its Affiliates (other than shareholders) hereby agree to divest the portion of the Acquired Business that operates the Prohibited Business as promptly as possible, using reasonable diligence but in no event later than 12 months (provided, that such period of 12 months may be extended with Buyer's consent, which consent shall not be unreasonably withheld provided that Seller had been and continues to work diligently and in good faith to sell the Prohibited Business) after such acquisition, or (z) being acquired (including, without limitation, by means of an asset purchase, stock purchase, merger, consolidation or other form of corporate reorganization) by another person that directly or indirectly engages in any Prohibited Business. For the avoidance of doubt, (A) this Section 5.5 shall not restrict any person that, directly or indirectly, controls Seller now or at any time hereafter, including any person that acquires or combines with Seller, whether by means of an asset purchase, stock purchase, merger, consolidation or other form of corporate reorganization, and (B) a Website that includes photo sharing as a feature or function of such Website shall not, in and of itself, be deemed to be a Prohibited Business so long as such Website's principal focus is not the sharing, printing or storing of photographs and the revenue or visitor test is not met. For purposes of this Section "**Website**" shall mean any site on the internet with a distinct URL. This Section 5.5 shall cease to be applicable to any person at such time as it is no longer an Affiliate of Seller. This Section 5.5(a) shall terminate immediately upon a Change of Control of Seller. "**Change of Control**" means (a) any "person" (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**")) becomes the "beneficial owner" (as defined in Rule 13d-3 promulgated under the Exchange Act), directly or indirectly, of securities of Seller representing 50% or more of (A)

the outstanding shares of common stock of Seller or (B) the combined voting power of Seller' s then outstanding securities; (b) Seller is party to a merger or consolidation which results in the voting securities of Seller outstanding immediately prior thereto failing to continue to represent (either by remaining outstanding or by being converted into voting securities of the surviving or another entity) at least fifty (50%) percent of the combined voting power of the voting securities of Seller or such surviving or other entity outstanding immediately after such merger or consolidation; or (c) the sale or disposition of all or substantially all of Seller' s assets, in one transaction or a series of related transactions (or consummation of any transaction having similar effect).

(b) During the Restriction Period, neither Seller nor its majority owned subsidiaries shall directly or indirectly induce or attempt to induce any customer, supplier, licensee, licensor, franchisee or other business relation of Buyer to cease doing business with Buyer in order to enter into any such relationship on behalf of itself or of any other person in competition with the Business. This Section 5.5(b) shall terminate immediately upon a Change of Control of Seller

(c) Seller hereby covenants and agrees not to disclose or use, directly or indirectly, any Confidential Information (as defined below), at any time after the Closing except to the extent the disclosure of such Confidential Information is required by Applicable Law or the listing standards of any stock exchange on which its securities are traded. If the disclosure of Confidential Information is required by Applicable Law or the listing standards of any stock exchange on which Seller' s securities are traded, Seller agrees to use its commercially reasonable efforts to provide Buyer an opportunity to object to the disclosure and as much prior written notice as is possible under the circumstances. For purposes of this Section 5.5, "Confidential Information" means and includes all information acquired, used by or which is in possession or knowledge of Seller as a result of Seller' s operation of the Business and to the extent relating to the Business, including information regarding strategies, products, pricing, customers, representatives, suppliers, distributors, technology, programs, finances, costs, employees, marketing plans, developmental plans, computer programs and systems, inventions, discoveries and trade secrets to the extent relating to the Business, all to the extent such information is not intended by Buyer to be disseminated to the public or other participants in Buyer' s industry or is not generally known to such other participants, and whether or not such information is embodied or recorded in any tangible form. Seller acknowledges that following the Closing all of the Confidential Information will be the exclusive proprietary property of Buyer, whether or not prepared in whole or in part by Seller, and whether or not disclosed to or entrusted to the custody of Seller.

(d) Seller agrees that money damages alone will not be a sufficient remedy for any breach of the provisions of this Section 5.5, and that in addition to all other remedies, Buyer shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach, and Seller waives the securing or posting of any bond in connection with such remedy.

(e) If any covenant contained in this Section 5.5 is found by a court of competent jurisdiction to be invalid or unenforceable as against public policy or for any other reason, such court is directed to exercise its discretion to reform such covenant to the end that Seller shall be subject to confidentiality, noncompetition and noninterference covenants that are reasonable under the circumstances and are enforceable by Buyer.

(f) Seller stipulates, acknowledges and agrees that the covenants and other terms contained in this Section 5.5 are reasonable in all respects, including time period, geographical area and scope of restricted activities, that Buyer would not have entered into this Agreement had Seller not agreed to these covenants, and that the restrictions contained herein are designed to protect Buyer's business and ensure that Seller does not engage in unfair competition against Buyer.

Section 5.6 *Taxes*

With respect to Taxes on the Assets imposed on a periodic basis which are payable for a period that includes but does not end on the Closing Date, such Taxes shall be allocated between Seller and Buyer ratably on a daily basis. The parties shall cooperate reasonably in any Tax related dispute or investigation. All liabilities with respect to Taxes attributable to the operations of the Business through the Closing Date shall be borne by and timely satisfied by Seller, and any refunds or credits or rights to refunds or credits with respect thereto (including interest and penalties) shall be the property of Seller. All Taxes attributable to the Business from and after the Closing shall be the responsibility of Buyer.

Section 5.7 *WARN*

Notwithstanding any provisions of the Worker Adjustment and Retraining Notification Act ("WARN Act"), 29 U.S.C. §2101 *et seq.*, the parties acknowledge and agree that at all times following the Closing, personnel employed by, engaged by, directed in their work by, and in any way performing services for Seller in the performance of the Transition Services Agreement are, and shall be at all times and for all purposes, employees of Seller. Seller acknowledges that it is solely responsible for issuing, serving and delivering all orders and notices required, if any, pursuant to the WARN Act in connection with termination from employment of personnel performing services for Seller in the performance of the Transition Services Agreement and for any financial obligations and liabilities in connection with such terminations. Notwithstanding any other provision of this Agreement, the parties specifically agree that Buyer shall bear no responsibility for any penalty, fine or other amount payable which arises out of or results from any violation of any federal, state or local statute, law, rule, ordinance or regulation (including, without limitation, any alleged or actual violations of the WARN Act). Seller expressly retains all such potential liability.

Section 5.8 *Severance*

Seller shall be and remain solely liable for and pay all severance obligations to any employee of Seller, and for any stay bonuses that are pre-approved by Buyer in writing, payable to such employees for the continuation of their employment in connection with the provision of services by Buyer under the Transition Services Agreement (collectively, the "**Employee Payments**") provided such Employee Payments are made within seven (7) months of the Closing Date; provided, however, Buyer shall reimburse Seller for any Employee Payments made by Seller up to an amount not to exceed the Reimbursement Amount for such Employee

Payments, payable by wire transfer of immediately available funds within 5 business days upon receipt of evidence reasonably satisfactory to Buyer from Seller of payment by Seller of Employee Payments; provided, further, that the Reimbursement Amount shall be reduced by the amount of payments received by Seller in excess of Two Million Dollars (\$2,000,000) pursuant to the Transition Services Agreement.

Section 5.9 *Co-operation*

Seller and Buyer covenant and agree as set forth in Schedule 5.9 of the Disclosure Schedules.

Section 5.10 *Bulk Transfer Laws*

Buyer acknowledges that Seller has not taken, and do not intend to take, any action required to comply with any applicable bulk sale or bulk transfer laws or similar laws.

Section 5.11 *Insurance*

As of the Closing Date, the coverage under all insurance policies of Seller and its Affiliates related to the Business shall continue in force only for the benefit of Seller and its Affiliates and not for the benefit of Buyer. Buyer agrees not to seek, through any means other than the indemnification provisions set forth in Article VII hereof, to benefit from any insurance policies of Seller or any of its Affiliates that may provide coverage for claims relating in any way to the Business prior to the Closing.

Section 5.12 *Post-Closing Liabilities*

Buyer shall discharge the Assumed Liabilities and all Liabilities of whatever kind and nature, primary or secondary, direct or indirect, absolute or contingent, known or unknown, whether or not accrued, arising out of or relating to the use or ownership of the Assets after the Closing Date (including any claim, action, suit, arbitration, inquiry, proceeding or investigation by or before any Governmental Authority arising out of or relating to the use or ownership of the Assets after the Closing Date).

ARTICLE VI

SURVIVAL OF REPRESENTATIONS; INDEMNIFICATIONS

Section 7.1 *Survival of Representations*

All representations and warranties made in this Agreement shall survive the Closing hereunder for a period of 18 months after the Closing Date, except that (a) representations and warranties contained in Section 3.12 (Taxes), which shall survive for thirty (30) days following the expiration of the applicable statute of limitations, (b) the representations and warranties contained in Sections 3.2 (Authorization), and 3.3(a) (Title to Assets), which shall survive indefinitely and (c) the representations and warranties contained in Section 3.11 (Intellectual Property) (the “**IP Rep**”), which shall survive for a period of 24 months after the Closing (such applicable period, the “**Indemnity Period**”).

Section 7.2 *Seller's Agreement to Indemnify*

(a) Subject to the terms and conditions set forth herein, from and after the Closing, Seller shall indemnify and hold harmless Buyer and its directors, officers and employees and their successors and assigns (collectively, the “**Buyer Indemnitees**”) from and against all liability, demands, allegations of infringement, claims, actions or causes of action, assessments, losses, damages, costs and expenses (including, without limitation, reasonable attorneys’ fees and expenses, and whether or not arising from a third party claim) (collectively, the “**Buyer Damages**”) incurred by any Buyer Indemnatee as a result of or arising out of (i) the Excluded Liabilities (including, but not limited to the Retained Claim Liability and the Retained Specified Liability), the Excluded Assets or the operation of the Business prior to Closing to the extent not included among the Assumed Liabilities, (ii) a breach of any representation or warranty contained in Article III of this Agreement, (iii) a breach of any agreement or covenant of Seller in this Agreement, or (iv) any failure of Seller to comply with applicable bulk sales laws, except that this clause (iv) shall not affect the obligation of Buyer to pay and discharge the Assumed Liabilities notwithstanding Buyer’s right to make an indemnification claim hereunder. For the avoidance of doubt, Seller shall not have any obligation to indemnify for Liabilities relating to operation of the Business after the Closing Date. For avoidance of doubt, Seller’s obligation to indemnify Buyer Indemnitees for Buyer Damages under this Section 7.2 with respect to the Retained Claim Liability and the Retained Specified Liability shall include, without limitation, actual or enhanced damages, settlement amounts and reasonable attorneys’ fees and expenses.

(b) Seller’s obligations to indemnify the Buyer Indemnitees pursuant to Section 7.2(a) hereof are subject to the following limitations:

(i) No indemnification shall be made by Seller with respect to any claim made pursuant to Section 7.2(a)(ii) unless the aggregate amount of Buyer Damages under all claims exceeds an amount equal to the Basket Amount and, in such event, indemnification shall be made by Seller only to the extent Buyer Damages exceed, in the aggregate, the Basket Amount, provided that the foregoing limitations on indemnification set forth in this Section 7.2(b)(i) shall not apply to any Buyer Damages related to any breach of any representation or warranty in Sections 3.1(a) (Organization), 3.2 (Authorization) and 3.3(a) (Title to Assets) and

any written claim of patent infringement (other than the Additional Claim or the Specified Lawsuit) relating to the Business as to which Seller had knowledge as of the Closing;

(ii) (A) In no event shall Seller's aggregate obligation to indemnify Buyer Indemnitees pursuant to Section 7.2(a)(ii) exceed an amount equal to the Cap (except for breaches of the IP Rep, in which case the Cap shall not exceed the Maximum Cap, provided that in no event shall Seller have an obligation to indemnify Buyer pursuant to Section 7.2(a)(ii) for any amounts in excess of the Maximum Cap in the aggregate), provided that the foregoing limitation on indemnification set forth in this Section 7.2(b)(ii) shall not apply to any Buyer Damages related to any breach of any representation or warranty in Sections 3.1(a) (Organization), 3.2 (Authorization), 3.3(a) (Title to Assets), and any written claim of patent infringement (other than the Additional Claim or the Specified Lawsuit) relating to the Business as to which Seller had knowledge as of the Closing; and

(B) Without in any way limiting the effect of clause (A) of this Section 7.2(b)(ii), Seller's obligation to indemnify the Buyer Indemnitees for a breach of the IP Rep shall be limited to the amount of Buyer Damages directly attributable (including reasonable and necessary attorneys' fees and expenses based on the parties relative exposure) to the operation of the Business during the Applicable Period.

(iii) The amount of any Buyer Damages shall be reduced by any amount received by a Buyer Indemnitee with respect thereto under any third party insurance coverage or from any other party alleged to be responsible therefor. If a Buyer Indemnitee receives an amount under insurance coverage or from such other party with respect to Buyer Damages at any time subsequent to any indemnification provided by Seller pursuant to this Section 7.2, then such Buyer Indemnitee shall and Buyer shall take commercially reasonable efforts to ensure that such Buyer Indemnitee shall promptly reimburse Seller for any payment made or expense incurred by Seller in connection with providing such indemnification up to such amount received by Buyer Indemnitee, but net of any expenses incurred by such Buyer Indemnitee in collecting such amount; and

(iv) Seller shall be obligated to indemnify Buyer Indemnitees only for those claims giving rise to Buyer Damages as to which Buyer Indemnitees have given Seller written notice prior to the end of any applicable Indemnity Period, in the event that an Indemnity Period applies to such Buyer Damages. Any written notice delivered by a Buyer Indemnitee to Seller with respect to Buyer Damages shall set forth, with as much specificity as is reasonably practicable, the basis of the claim for Buyer Damages and, to the extent reasonably practicable, a reasonable estimate of the amount thereof.

Section 7.3 *Buyer's Agreement to Indemnify*

(a) Subject to the terms and conditions set forth herein, from and after the Closing, Buyer shall indemnify and hold harmless Seller and its directors, officers and employees and their successors and assigns (collectively, the "**Seller Indemnitees**") from and against all liability, demands, claims, actions or causes of action, assessments, losses, damages, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses, and whether or

not arising from a third party claim) (collectively, the “**Seller Damages**”) asserted against or incurred by any Seller Indemnatee as a result of or arising out of (i) the Assumed Liabilities or the use or ownership of the Assets after the Closing Date, (ii) a breach of any representation or warranty contained in Article IV of this Agreement set forth therein, and (iii) a breach of any agreement or covenant of Buyer contained herein.

(b) Buyer’s obligations to indemnify Seller Indemnitees pursuant to Section 7.3(a) hereof are subject to the following limitations:

(i) No indemnification shall be made by Buyer with respect to any claim made pursuant to Section 7.3(a)(ii) unless the aggregate amount of Seller Damages under all claims exceeds the Basket Amount and, in such event, indemnification shall be made by Buyer only to the extent Seller Damages exceed, in the aggregate, the Basket Amount, provided that the foregoing limitations or indemnification shall not apply to any Seller Damages related to any breach of the representations and warranties set forth in Section 4.1 (Organization and Authority of Buyer);

(ii) In no event shall Buyer’s aggregate obligation to indemnify the Seller Indemnitees pursuant to Section 7.3(a)(ii), exceed an amount equal to the Cap, provided that the foregoing limitations or indemnification shall not apply to any Seller Damages related to any breach of the representations and warranties set forth in Section 4.1 (Organization and Authority of Buyer);

(iii) The amount of any Seller Damages shall be reduced by any amount received by Seller Indemnatee with respect thereto under any third party insurance coverage or from any other party alleged to be responsible therefor. If Seller Indemnatee receives an amount under insurance coverage or from such other party with respect to Seller Damages at any time subsequent to any indemnification provided by Buyer pursuant to this Section 7.3, then such Seller Indemnatee shall and Seller shall make commercially reasonable efforts to ensure that such Seller Indemnatee shall promptly reimburse Buyer for any payment made or expense incurred by Buyer in connection with providing such indemnification up to such amount received by the Seller Indemnatee, but net of any expenses incurred by such Seller Indemnatee in collecting such amount; and

(iv) Buyer shall be obligated to indemnify the Seller Indemnitees only for those claims giving rise to Seller Damages as to which the Seller Indemnitees have given Buyer written notice prior to the end of any applicable Indemnity Period, in the event that an Indemnity Period applies to such Seller Damages. Any written notice delivered by Seller Indemnatee to Buyer with respect to Seller Damages shall set forth, with as much specificity as is reasonably practicable, the basis of the claim for Seller Damages and, to the extent reasonably practicable, a reasonable estimate of the amount thereof.

Section 7.4 *Other Claims*

A claim for indemnification for any matter not involving a claim asserted by any third party may be asserted by written notice of the claim, setting forth in reasonable detail the factual and contractual bases for the claim, to the party from whom indemnification under this Article VII is sought.

Section 7.5 *Third Party Indemnification*

If any legal proceedings are instituted or any claim is asserted by any third party in respect of which the Seller Indemnified Parties on the one hand, or the Buyer Indemnified Parties on the other hand, may be entitled to indemnity hereunder, the party asserting such right to indemnity shall give the party from whom indemnity is sought written notice thereof. A delay in giving such notice shall only relieve the recipient of the obligation to indemnify to the extent the recipient suffers actual prejudice because of the delay. The party from whom indemnity is sought shall have the right, but not the obligation, at its option and expense with counsel of its choice, to control the defense thereof and may compromise or settle the same without the consent of the indemnified party (which consent will not be unreasonably withheld or delayed) provided the settlement involves only money damages; provided that (i) the party from whom indemnity is sought irrevocably acknowledges in writing full responsibility for and agrees to fully indemnify the party asserting such right to indemnity and (ii) the party asserting such right to indemnity shall have the right to participate, but not control, such defense, at its own expense, with counsel of its choice in connection with the defense of such a proceeding or claim. If the party from whom indemnity is sought does not assume control of the defense of such a proceeding or claim, the party asserting such right to indemnity shall not, without the prior written consent of the party from whom indemnity is sought (which consent shall not be unreasonably withheld or delayed), pay, compromise or settle any such proceeding or claim. If the party from whom indemnity is sought does assume control of the defense of such a proceeding or claim, it will not, without the prior written consent of the party asserting such right to indemnity, settle the proceeding or claim or consent to entry of any judgment relating thereto which does not include as an unconditional term thereof the giving by the claimant to the party asserting such right to indemnity a release from all Liability in respect of the proceeding or claim. The parties hereto agree to cooperate fully with each other in connection with the defense, negotiation or settlement of any such proceeding or claim.

Section 7.6 *Payment of Claims*

Buyer shall pay Seller the amount of Seller Damages and Seller shall pay Buyer the amount of Buyer Damages for any claim set forth in Sections 7.4 or 7.5 made by Seller or Buyer, respectively, within 30 days following resolution of the claim.

Section 7.7 *Sole Remedy*

The parties hereto acknowledge and agree that the remedies provided for in this Agreement shall be the parties' sole and exclusive remedy with respect to the subject matter of this Agreement. Nothing in this Agreement shall limit the liability of any party hereto for fraud. For the avoidance of doubt, Buyer expressly acknowledges and agrees that, subject to the immediately preceding sentence, it shall have no claim against Seller or any of its affiliates under this Agreement, whether for breach of representation, warranty or covenant or otherwise, and that its sole remedy for any such claim shall be indemnification by Seller pursuant to Section 7.2. Notwithstanding the foregoing, nothing in this Agreement shall affect the rights and remedies available to the parties thereto under, or in connection with, Section 5.5 or the Transition Services Agreement.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, NO PARTY TO THIS AGREEMENT SHALL BE LIABLE TO OR OTHERWISE RESPONSIBLE TO ANY OTHER PARTY HERETO OR ANY AFFILIATE OF ANY OTHER PARTY HERETO FOR CONSEQUENTIAL OR PUNITIVE DAMAGES THAT ARISE OUT OF OR RELATE TO THIS AGREEMENT OR THE PERFORMANCE OR BREACH HEREOF OR ANY LIABILITY RETAINED OR ASSUMED HEREUNDER.

Section 7.9 *Tax Treatment of Indemnification Payments*

For all Tax purposes, Buyer, Seller and each of their respective Affiliates agree to treat any indemnity payment under this Agreement as an adjustment to the Purchase Price received by the Seller for the transactions contemplated by this Agreement unless a final determination (as defined in Section 1313 of the Code) provides otherwise.

ARTICLE VIII

AMENDMENT AND WAIVER

Section 8.1 *Amendment, Extension and Waiver*

At any time prior to the Closing Date, the parties hereto may (a) amend this Agreement, (b) extend the time for the performance of any of the obligations or other acts of the parties hereto, (c) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto and (d) waive compliance with any of the agreements or conditions contained herein. This Agreement may not be amended except by an instrument in writing signed on behalf of all of the parties hereto. Any agreement on the part of a party hereto to any extension or waiver shall be valid only if set forth in an instrument in writing signed by or on behalf of such party. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

ARTICLE IX

MISCELLANEOUS

Section 9.1 *Fees and Expenses*

Whether or not the transactions contemplated herein are consummated pursuant hereto, except as otherwise provided herein, each of Seller, on the one hand, and, Buyer, on the other hand, shall pay all fees and expenses incurred by, or on behalf of, such party in connection with, or in anticipation of, this Agreement and the Ancillary Agreements and the consummation of the transactions contemplated hereby and thereby.

Section 9.2 *Further Assurances*

(a) Promptly following the Closing, Seller will, at the expense of Seller, put Buyer into full possession and enjoyment of all Assets. In the event Buyer, Seller or any of their respective Affiliates receives any funds or other property that belongs to another party hereto under the terms of this Agreement, then the receiving party shall receive and hold such funds and property in trust for the benefit of the rightful party and shall forward such funds and property to the rightful party within 30 days of such party's receipt of such funds and property from the third party.

Section 9.10 *Waivers, etc.*

The rights and remedies of any party based upon, arising out of or otherwise in respect of any inaccuracy or breach of any representation, warranty, covenant or agreement or failure to fulfill any condition shall in no way be limited by the fact that the act, omission, occurrence or other state of facts upon which any claim of any such inaccuracy or breach is based may also be the subject matter of any other representation, warranty, covenant or agreement as to which there is no inaccuracy or breach. The representations and warranties of Seller on the one hand, and Buyer, on the other hand, that are contained in this Agreement shall not be affected or deemed waived by reason of any investigation made by or on behalf of Buyer or Seller, as the case may

be, (including but not limited to by any of their advisors, consultants or representatives) or by reason of the fact that Buyer or Seller, as the case may be, or any of their respective advisors, consultants or representatives knew or should have known that any such representation or warranty is or might be inaccurate.

Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements

NOTE 1 Description of Transaction

On October 25, 2007, CNET Networks, Inc. (the “Company”) entered into an Asset Purchase Agreement (the “Purchase Agreement”) with AG.com, Inc. (“AG”), a subsidiary of American Greetings Corporation, pursuant to which AG purchased substantially all of the assets, which included certain fixed assets and prepaid expenses, and assumed certain liabilities of the Company’s Webshots business unit, which was a reporting unit within the Company’s U.S. Media reporting segment, for \$45.2 million in cash (the “Asset Sale”). The Asset Sale was completed on October 25, 2007. In accordance with the provisions of SFAS 144, Accounting for Impairment or Disposal of Long-Lived Assets, the Company will reflect the Asset Sale as a discontinued operation in its historical financial statements. In connection with the Asset Sale, CNET Networks will provide certain transition services to AG for an interim period.

NOTE 2 Pro Forma Adjustments

On August 2, 2004, CNET Networks acquired Twofold Photos, Inc. which operated the website www.Webshots.com (Twofold Photos, Inc. and Webshots are collectively referred to as “Webshots”). The results of Webshots have been included in CNET Networks’ historical statements of operations from the date of acquisition.

The accompanying unaudited pro forma condensed consolidated financial information has been prepared to reflect the effect of the Asset Sale on the Company’s historical results of operations and financial position. The unaudited pro forma condensed consolidated financial statements for the six months ended June 30, 2007 and the years ended December 31, 2006, 2005 and 2004 presents the Company’s results of operations and financial position as if the Asset Sale had occurred on August 2, 2004. The unaudited pro forma condensed consolidated balance sheet gives effect to the Asset Sale as if the transaction had occurred on June 30, 2007.

The pro forma adjustments presented herein are based on estimates and certain information that is currently available and may change as additional information becomes available. The unaudited pro forma condensed consolidated financial statements have been presented for informational purposes only and are not necessarily indicative of the results of operations or the financial position that would have been achieved had the Asset Sale been completed at the beginning of or as of the periods presented, nor are they indicative of the future results of operations or future financial position of the Company. The adjustments are described in the notes to the unaudited pro forma condensed consolidated financial statements and are set forth in the “Pro Forma Adjustments” column.

The pro forma adjustments are as follows:

- a. These adjustments are recorded to eliminate the revenues and operating expenses which CNET Networks believes are directly attributable to the Webshots Asset Sale and will not continue after completion of the transaction.
- b. To record the cash consideration received from AG.
- c. To eliminate the assets sold to AG.
- d. To adjust goodwill and accumulated deficit to reflect a goodwill impairment charge of \$19.0 million. This impairment charge was recorded in the third quarter of 2007 to reduce the carrying value of the Webshots goodwill to its fair value.
- e. To eliminate the goodwill related to the Webshots business.
- f. To eliminate liabilities assumed by AG and to accrue for the estimated transaction costs associated with the sale.

Liabilities assumed	\$(2,359)

Accrued transaction costs	<u>350</u>
	<u><u>\$(2,009)</u></u>

g. To record the preliminary gain on the sale of the Webshots business as if the transaction had been consummated on June 30, 2007.

h. Taxes have not been provided for the pretax income for the Webshots operations for the years ended December 31, 2006 and 2004 because the total tax expense for these periods is attributable to the Company's continuing operations. Tax expense has been provided for the year ended December 31, 2005 to the extent not otherwise attributable to the Company's continuing operations. A tax benefit was not recorded for the pretax loss for the six months ended June 30, 2007 due to a full valuation allowance on U.S. federal and state deferred tax assets.
