4.2. Develop and implement affirmative action programs to achieve the objective of a civilian work force in which the representation of minorities, women, and people with disabilities at all grade levels, in every occupational series, and in every major organizational element is commensurate with the representation specified in EEOC and OPM guidance. Such programs, which shall be designed to identify, recruit, and select qualified personnel, shall be coordinated with the cognizant legal offices.

4.3. Ensure that Civilian EEO Program activities for minorities, women, and people with disabilities are integrated fully into the civilian personnel management system.

4.4. Assess progress in DoD Component programs in accordance with the affirmative action goals of the Department of Defense.

4.5. Prohibit discrimination based on race, color, religion, sex, national origin, mental or physical disability or age.

## 5. RESPONSIBILITIES

5.1. The Assistant Secretary of Defense (Force Management and Personnel) (ASD(FM&P)), or designee, shall:

Evaluate employment policies, practices, and patterns within their respective DoD Components and identify and correct any institutional barriers that restrict opportunities for recruitment, employment, advancement, awards, or training for minorities, women, and people with disabilities and ensure that EEO officers and civilian personnel officers provide leadership in eliminating these barriers.

5.2.10. Ensure that installations and activities establish upward mobility and other development programs to provide career enhancement for minorities, women, and people with disabilities. These programs should include SES candidate programs to provide developmental opportunities for minorities, women, and people with disabilities consistent with management expectations in filling jobs. These programs should be targeted to occupational categories in which there is under-representation and a likelihood of vacancies (e.g., science and engineering positions).
