

House of Commons

INDIVIDUAL MEMBERS' EXPENDITURES

FOR THE FISCAL YEAR 2001-2002

FINANCIAL MANAGEMENT OPERATIONS
FINANCE AND HUMAN RESOURCES DIRECTORATE
JUNE 2002

Introduction

- The Speaker of the House of Commons, on behalf of the Board of Internal Economy (BOIE), tables the report on Individual Members' Expenditures on an annual basis pursuant to BOIE By-laws. Prior to tabling, Members receive a copy of their Individual Expenditures report.
- Seats held by former Members are identified as "vacant" followed by the constituency name. Following the resignation or death of a Member, the Whip of the former Members' party maintains services to constituents until the date of a by-election. Prior to tabling, reports for vacant seats are sent to the Whip of the former Members' party.
- The Individual Members' Expenditures are presented in two main categories: Members' Office Budget and Support Provided by the House. All budgets and related expenses are for the fiscal year April 1, 2001 to March 31, 2002, except for those who resigned during the fiscal year: Messrs. Hon. Ronald Duhamel, Hon. Alfonso Gagliano and Rt. Hon. Herb Gray (January 14, 2002), Hon. Brian Tobin (January 25, 2002), Preston Manning (January 31, 2002), Hon. George Baker and Raymond Lavigne (March 25, 2002).
- During the course of the fiscal year 2001-2002, the following changes to the Members' Office Budget and to the travel provisions were adopted: Increase to the Miscellaneous Expense Account portion of the Members' Office Budget for Members representing electoral districts in Schedule 3 of the *Canada Elections Act* for the retroactive abolishment of their additional tax-free allowance. The levels of funding for the Miscellaneous Expense Account were increased by \$7,750 for 23 Schedule 3 Members, and by \$10,875 for two Members representing the North West Territories and Nunavut. The Miscellaneous Expenditures Account of the Members' Office Budget has been changed from \$3000 to up to 3% of the overall budget for all other 276 Members. The Board has also approved a change to its policies to permit Members to charge travel status expenses incurred in Canada to the unused portion of the Miscellaneous Expenditures Account of their Member's Office Budget when their \$15,000 travel status expenses budget has been fully used. In addition, the Board of Internal Economy has approved the reimbursement of certain transportation expenses (parking, taxi, etc.) incurred by Members when travelling on business in the National Capital Region (NCR) as chargeable to the Members' Office Budget.
- The expenses reported are to some extent, reflective of the characteristics of the constituency each Member represents. For example, the constituency size and its distance from Ottawa would be determining factors on travel and telephone expenditures, whereas the number of constituents and households in the constituency would influence the amounts expended for printing and office supplies.
- The Manual of Allowances and Services contains administrative information concerning Members' entitlements, including a list by constituency indicating the constituency type, the basic budget and annual budgetary supplements for fiscal year 2001-2002 (Chapter A-1, Appendix "A"). The Manual of Allowances and Services is available on the Parliamentary Intranet Site (Reference Material) as well as from the Library of Parliament.
- The tabling of the Individual Members' Expenditures report will coincide with the tabling of the Public Accounts of Canada in the future.
- Questions related to this report should be directed to BOIE spokespersons (Mrs. Marlene Catterall and Mr. John Reynolds) or to individual Members.

Members' Office Budget (MOB)

The MOB consists of a basic budget set according to the type of constituency (rural or urban) as well as those listed in Schedule 3 of the *Canada Elections Act*. This basic budget may be supplemented where the geographic area to be served is 8,000 square kilometres or more or the number of electors on the lists is 70,000 or more. The constituency area measurements and the number of electors are those published by the Chief Electoral Officer.

In 2001-2002, the annual MOB including Geographic and Elector Supplements ranged from \$214,800 to \$272,125 compared to \$201,650 to \$248,100 in 2000-2001. The average budget was \$228,151 in 2001-2002 compared to \$212,678 the previous year. This represents an increase of 7.3% over the 2000-2001 levels. The MOB is used for:

- (1) **STAFF AND OTHER EXPENSES**, including employee salaries, service contracts and constituency office operating expenses, such as utilities, local telephone service, furniture and computer equipment. This also includes a Miscellaneous Expenditures Account of up to 3% of the overall Members' Office Budget to acquire, for the constituency or Ottawa offices, goods and services not explicitly excluded or specified. Schedule 3 Members are entitled to a larger amount.
- (2) **TRAVEL**, including travel by the Member and the Member's employees in the constituency or the province or territory in which the constituency is located and certain transportation expenses incurred by the Member within the National Capital Region, as well as for accommodation, meals and incidental expenses incurred by employees on parliamentary business trips within Canada specifically authorized by the Board of Internal Economy. This also includes travel status expenses (accommodation and meals), up to the maximum limit of the Miscellaneous Expenditures Account, when the \$15,000 maximum included in item (4) *Travel* has been reached.
- (3) **OFFICE LEASE**, for the constituency office(s).

Support Provided by the House

For efficient service delivery, the following costs are charged to centralized House budgets:

- (4) **TRAVEL (a)** each Member is allowed a maximum of 64 return trips between Ottawa and the constituency and other parts in Canada; **(b)** each Member may be reimbursed for private or receipted accommodation and for meals and incidental expenses up to the per diem rate while in travel status, to a maximum of \$15,000. Please note that Members are permitted to charge travel status expenses incurred in Canada to the unused portion of the Miscellaneous Expenditures Account of their Member's Office Budget when their \$15,000 travel status expenses budget has been fully used.
- (5) **TELEPHONE**, for long-distance calls;
- (6) **PRINTING**, for up to four householders sent by the Member to all constituents, and for documents in quantity up to 10% of the number of households in the Member's constituency (ten percenters);
- (7) **OFFICE SUPPLIES**, for the Ottawa and constituency offices;
- (8) **OTHER**, for furniture, computer equipment, software and renovations for the Member's Ottawa office.
