

House of Commons

INDIVIDUAL MEMBER'S EXPENDITURES

FOR THE FISCAL YEAR 2003-2004

CORPORATE SERVICES
PREPARED MAY 2004

Introduction

- The Speaker of the House of Commons, on behalf of the Board of Internal Economy (BOIE), tables a consolidated report on Individual Member's Expenditures on an annual basis pursuant to BOIE by-laws. Prior to tabling, Members receive a copy of their Individual Expenditures report for their review.
- Seats held by these former Members who resigned during the fiscal year are identified as "vacant" followed by the constituency name: Honourable Mac Harb (September 8, 2003), Honourable Allan Rock (December 11, 2003) and The Right Honourable Jean Chrétien (December 12, 2003). Following the resignation or death of a Member, the Party Whips of the former Members or the Speaker, for Independent Members, ensure that constituents continue to be served until the date of a by-election. Prior to tabling, reports for vacant seats are sent to the Party Whips or to the Speaker, if applicable.
- The individual Member's expenditures are presented in two categories: expenditures charged to each Member's Office Budget versus Support Provided by the House. The attached report is for the fiscal year April 1, 2003 to March 31, 2004. Prorated budgets were calculated from the date of the by-elections to the end of the fiscal year for the following Members: Gary Schellenberger (May 12, 2003), Gilbert Barrette (June 16, 2003) and Christian Jobin (June 16, 2003).
- During the course of the fiscal year 2003-2004, the following changes to the travel provisions were adopted:
 - a \$1,000 increase to the Members' Travel Status Expenses Budget, from \$15,000 to \$16,000;
 - the daily private accommodation rate for Members, and authorized travellers who choose private non-commercial accommodation, other than the secondary residence owned by a Member, shall be reimbursed at the rate of \$50 for each night in travel status.
- The expenses reported are, to some extent, reflective of the characteristics of the constituency that each Member represents. For example, the constituency size and its distance from Ottawa would be determining factors on travel and telephone expenditures, whereas the number of constituents and households in the constituency would influence the amounts expended for printing and office supplies.
- For additional information, the Manual of Members' Allowances and Services contains administrative information concerning Members' entitlements, including a list by constituency indicating the constituency type, the basic budget and annual budgetary supplements for fiscal year 2003-2004 (Section 2 of the Chapter on Budgets, Appendix entitled Member's Office Budget by Constituency). The Manual is available on IntraParl under Administration and Services/Members' Allowances and Services as well as from the Library of Parliament.
- Since the 2002-2003 fiscal year, the tabling of the consolidated Individual Member's Expenditures report coincides with the tabling of the Public Accounts of Canada.
- Questions related to this report should be directed to BOIE spokespersons (Honourable Mauril Bélanger and Mr. John Reynolds) or to individual Members. After the consolidated report is tabled, it is available on the web at the following address:

Member's Office Budget (MOB)

The MOB consists of a basic budget set according to the type of constituency: urban, rural, a combination of urban and rural, or if listed in Schedule 3 of the *Canada Elections Act*. This basic budget may be supplemented when the geographic area to be served is 8,000 square kilometres or more or the number of electors on the lists is 70,000 or more. The constituency area measurements and the number of electors are those published by the Chief Electoral Officer.

In 2003-2004, the annual MOB including Geographic and Elector Supplements ranged from \$227,800 to \$286,380 compared to \$221,200 to \$278,050 in 2002-2003. The average budget was \$241,825 in 2003-2004 compared to \$234,819 the previous year. This represents an increase of 3% over the 2002-2003 levels. As shown in the following columns, the MOB is used for:

- (1) **STAFF AND OTHER EXPENSES**, which includes employee salaries, service contracts and constituency office operating expenses, such as utilities, local telephone service, furniture and computer equipment. This column also includes a Miscellaneous Expenditures Account of up to 3% of each Member's Office Budget to acquire, for the constituency or Ottawa offices, goods and services not explicitly excluded or specified. However, Schedule 3 Members are entitled to a larger amount.
- (2) **TRAVEL**, which includes travel by the Member, the Member's employees and the designated traveller in the constituency or the province or territory in which the constituency is located and certain transportation expenses incurred by the Member within the National Capital Region, as well as for accommodation, meals and incidental expenses incurred by employees on parliamentary business trips within Canada specifically authorized by the Board of Internal Economy. Also included is excess travel status expenses (accommodation and meals), up to the maximum limit of the Miscellaneous Expenditures Account, when the \$16,000 travel status expense budget, included in column (4) *Travel*, has been fully used.
- (3) **OFFICE LEASE**, for the constituency office(s).

Support Provided by the House

The following costs are charged to central House budgets:

- (4) **TRAVEL**
 - (a) each Member is allowed a maximum of 64 return trips between Ottawa and the constituency and other parts of Canada;
 - (b) each Member may be reimbursed for private or receipted accommodation and for meals and incidental expenses up to the per diem rate while in travel status, to a maximum of \$16,000. Please note that the Member is permitted to charge excess travel status expenses incurred in Canada to the unused portion of the Miscellaneous Expenditures Account of the Member's Office Budget included in column (2) *Travel expenses* when the \$16,000 travel status expense budget has been fully used.
- (5) **TELEPHONE**, for long-distance calls;
- (6) **PRINTING**
 - (a) Householders – printed materials sent by Members, up to four householders per calendar year, to inform their constituents about parliamentary activities and issues;

- (b) Ten percenters – printed or photocopied material reproduced in quantities not exceeding 10% of the total number of households in a Member’s constituency;
 - (c) Ten Percenter Regrouping – some or all Members in a recognized party collectively submit, via their Whip’s office, an identical ten percenter request, up to one regrouping per month to a maximum of 10% of the total households represented by the Members submitting the request.
- (7) **OFFICE SUPPLIES**, for the Ottawa and constituency offices;
- (8) **OTHER**, includes furniture, computer equipment, software and renovations for the Member’s Ottawa office.
