SEC HIGHLIGHTS

The Southeastern Conference, with its storied 82-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition in baseball of any league in the country since its inception in 1933.

The SEC registered another outstanding season in 2015 as the conference had seven teams receive bids for NCAA postseason play. SEC teams comprised half of the College World Series field (Arkansas, Florida, LSU and Vanderbilt), and each game of the College World Series featured a team from the SEC. Vanderbilt finished as the NCAA runner-up. Five SEC teams advanced to NCAA Super Regionals.

When Vanderbilt reached the College World Series finals, it marked the 11th time since 2000 an SEC team played for the national championship in Omaha and eighth in a row. Florida won the SEC Tournament title 7-3 over Vanderbilt in front of a national television audience. LSU won the regular season title with a 21-8 conference record, while Vanderbilt won the Eastern Division with a 20-10 record. Texas A&M won its first 24 games of the season to break the SEC record for longest winning streak.

The Southeastern Conference boasts 15 former National Players of the Year (Arkansas' Andrew Benintendi and Vanderbilt's Dansby Swanson won in 2015), 12 Baseball America Coach of the Year and 11 Collegiate Baseball Coach of the Year honors. In addition, 172 student-athletes have been named first team All-America, six of which came in 2015.

The SEC had seven players selected in the first round of the 2015 Major League Baseball Draft. Those seven picks represented five different schools. The SEC has now had a first-round MLB selection each year since 1991 and 105 total in the first round during that time. Vanderbilt's Dansby Swanson was selected by the Arizona Diamondbacks as the No. 1 pick in the 2015 MLB Draft. Swanson is the second Vanderbilt player all-time to be drafted No. 1, joining David Price from 2007. Swanson is the fourth SEC player to go No. 1 in the MLB Draft, joining Price, Luke Hochevar (Tennessee) and Ben McDonald (LSU). Swanson (Vanderbilt, No. 1) and Alex Bregman (LSU, No. 2) became the first duo in SEC history to go 1-2 in the MLB Draft.

The SEC drew more than 2.2 million fans to its on-campus ballparks in 2015m the eighth consecutive year to draw more than 1.6 million. Eight SEC teams drew in excess of 100,000 fans to their parks in 2015.

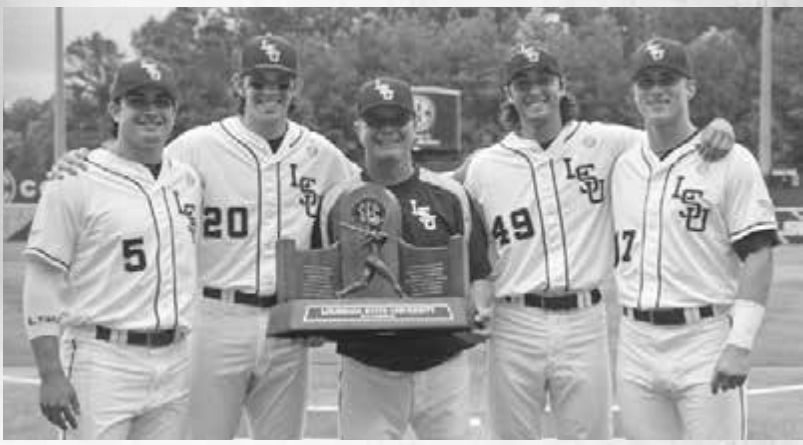

The SEC Baseball Tournament drew more than 130,000 fans in 2015, better than 7,000 per game. The event has become the Birmingham metro's highest attended sporting event annually, second in the state only to NASCAR races at Talladega. Birmingham Magazine recently named it the top sporting event annually in the Birmingham area. The entire SEC Baseball Tournament was broadcast live on national television for the first time in the history of the event.

NOTES

- The SEC has sent 54 teams to the College World Series since 1990. That was accomplished despite no SEC teams making the field in 1992. LSU has now been to Omaha 14 times, Florida nine times, South Carolina six times, Georgia and Mississippi State five times, Arkansas four times, while Alabama, Tennessee and Vanderbilt have been three times each. Auburn has been twice.
- SEC teams have won 10 of the last 26 national championships, with LSU winning six (1991, 1993, 1996, 1997, 2000, 2009), South Carolina winning two (2010, 2011), Vanderbilt taking home the title in 2014 and Georgia claiming the 1990 title. The SEC has finished runner up nine times in that span, 1997, 2002, 2005, 2008, 2011, 2012, 2013, 2014 and 2015.
- SEC teams are 113-97 since 1990 in Omaha, a 53.8 winning percentage. Not counting games against each other, the SEC has posted a 53.8 winning percentage.
- The SEC has played 55 games in the "Final Four" of the College World Series since 1990, an average of over three per year. Only five times, 1992, 1994, 2003, 2006 and 2007 has the SEC failed to get a team to the "Final Four" of the CWS.
- The SEC has averaged more than eight games played per year in the College World Series since 1990. In 2015, an SEC team played in each of the 16 games of the CWS. In 2004, 12 of the 15 games played in Omaha involved a SEC team. In 1997, the SEC had a team in 13 of the 14 games played in the CWS. Since 1990, an SEC team has played in 185 of the 376 games in the College World Series, an amazing 49 percent of games.

- The SEC has sent 11 of its 14 schools to the College World Series since 1990 – Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State, South Carolina, Tennessee and Vanderbilt. Texas A&M also advanced three times since 1990 prior to joining SEC.
- Since 1990, 179 SEC squads have been invited to the NCAA Tournament, an average of almost seven per season. A total of 17 SEC teams have earned postseason berths in the last two years, including a record 10 in 2014.
- The SEC posted a 286-107 record against non-conference foes in 2015, a 72.8 winning percentage.
- Since 1990, 36 SEC squads have posted 50+ wins.
- SEC teams have also been strong in the polls. Since 1990, 126 conference teams have appeared in the final ESPN/USA Today Coaches Poll, including five in the top 10 in 2015.

2016 SEC Inclement Weather Policy

1. If a game is suspended/postponed on Friday or Saturday, the game shall be completed from the point of interruption on the following day prior to the regularly scheduled game. In the event the regularly scheduled game is televised, the suspended/postponed game may be rescheduled, in consultation with the conference office, prior to, or following, the regularly scheduled game, whichever allows the best opportunity to complete such game without interruption.
2. Televised Games Affected by Weather
   A. For games televised on ESPN, ESPN2 or ESPNU
      (1) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Saturday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the regularly scheduled televised game on Saturday, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
      (2) If a game is suspended/postponed on Saturday, and the regularly scheduled Sunday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Sunday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the Sunday regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
   B. For games televised on the SEC Network
      (1) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Saturday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
      (2) If a game is suspended/postponed on Saturday, and the regularly scheduled Sunday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Sunday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
      (3) Depending on the circumstance, any resumed/rescheduled game or any regularly scheduled game may begin/end on the SEC Network Alternate Channel or on SEC Network+.
3. Length of Games
   A. All games played on Friday and Saturday should be scheduled for nine innings. If a suspended game is resumed on Sunday, the regularly scheduled game shall be seven innings.
   B. If weather prevents playing both the Friday and Saturday games, or if the Saturday game does not begin because of rain, there shall be two seven-inning games on Sunday. If a Friday game is suspended and no games are played on Saturday, the suspended game shall be resumed on Sunday, followed by a seven-inning game.
   C. If a suspended game is unable to be completed because of inclement weather and has reached official game status (five innings or more per NCAA Rule 5.8), it shall be declared a game.
   D. Once a suspended game is resumed, the game shall be complete if one team has a lead of 10 or more runs after seven innings of play (NCAA Rule 5.8).
4. Restart Times
   A. In the event of rain on Friday or Saturday, no game may start after 10:00 p.m. local time or resume after midnight local time.
   B. In the event of a rain-delay prior to the beginning of play on Sunday, the game must begin at least two hours and thirty minutes prior to the visiting team's scheduled departure time from the field, but no later than 4:00 p.m. local time to avoid a rain out of the game. (See Departure Time of this section.)
   C. If the game begins and is delayed (Sunday game), it must resume by 6:00 p.m. local time to avoid a rain out of the game.
5. Travel Considerations
   A. In all instances, departure time takes priority. A team may not stay over until Monday to begin or complete a game or series.
   B. In the event the visiting team is not scheduled to leave the host city until Monday and there are no prior travel limitations for the game's umpires that would dictate departure to enact these deadlines, with Conference approval, it would be permissible to waive the 4:00 p.m. deadline for the start of a game and a 6:00 p.m. deadline for the resumption of the game.
6. Authority to Play Doubleheaders
   A. If weather forecasts on Friday or Saturday morning call for a high occurrence of inclement weather on Sunday, the home team with approval of the visiting team may request permission from the Conference office to play a doubleheader on Saturday.
   B. Approval of a prospective Saturday doubleheader shall be limited to circumstances where there is a high likelihood that weather will not permit a game to be played on the final day of the series. This does not apply for possible inclement weather on Friday or Saturday of a weekend series.

FOR THURSDAY THROUGH SATURDAY SERIES

1. If a game is suspended/postponed on Thursday or Friday, the game shall be completed from the point of interruption on the following day prior to the regularly scheduled game. In the event the regularly scheduled game is televised, the suspended/postponed game may be rescheduled, in consultation with the conference office, prior to, or following, the regularly scheduled game, whichever allows the best opportunity to complete such game without interruption.
2. Televised Games Affected by Weather
   C. For games televised on ESPN, ESPN2 or ESPNU
      (1) If a game is suspended/postponed on Thursday, and the regularly scheduled Friday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Friday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
      (2) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Saturday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
   D. For games televised on the SEC Network
      (1) If a game is suspended/postponed on Thursday, and the regularly scheduled Friday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Friday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
      (2) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Saturday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
      (3) Depending on the circumstance, the resumed/rescheduled game or the regularly scheduled game may begin/end on the SEC Network Alternate Channel or on SEC Network+.
3. Length of Games
   A. All games played on Thursday and Friday should be scheduled for nine innings. If a suspended game is resumed on Saturday, the regularly scheduled game shall be seven innings.
   B. If weather prevents playing both the Thursday and Friday games, or if the Friday game does not begin because of rain, there shall be two seven-inning games on Saturday. If a Thursday game is suspended and no games are played on Friday, the suspended game shall be resumed on Saturday, followed by a seven-inning game.
   C. If a suspended game is unable to be completed because of inclement weather and has reached official game status (five innings or more per NCAA Rule 5.8), it shall be declared a game.
   D. Once a suspended game is resumed, the game shall be complete if one team has a lead of 10 or more runs after seven innings of play (NCAA Rule 5.8).
4. Restart Times
   A. In the event of rain on Thursday or Friday, no game may start after 10:00 p.m. local time or resume after midnight local time.
   B. On Saturday, all curfew times will be waived in order to play the game on Saturday. No games will be continued to Sunday, however, teams can stay over until Sunday to get the game completed on Saturday.
   C. In the event of Saturday doubleheaders, games will be seven innings each.
5. Authority to Play Doubleheaders
   A. If weather forecasts on Thursday or Friday morning call for a high occurrence of inclement weather on Saturday, the home team with approval of the visiting team may request permission from the Conference office to play a doubleheader on Friday.
   B. Approval of a prospective Friday doubleheader shall be limited to circumstances where there is a high likelihood that weather will not permit a game to be played on the final day of the series. This does not apply for possible inclement weather on Thursday or Friday of a weekend series.

OTHER

The umpire-in-chief has sole authority to suspend, postpone, or cancel the game if conditions become unfit for play.

SECU ACADEMIC INITIATIVE

SECU
The Academic Initiative of the SEC

Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer.

The goals of the SECU academic initiative include:

- Advancing the merit and reputation of SEC universities outside of the traditional SEC region;
- Highlighting the endeavors and achievements of SEC faculty and universities;
- Identifying and preparing future leaders for high-level service in academia;
- Increasing the amount and type of education abroad opportunities available to SEC students; and
- Providing opportunities for collaboration among SEC university personnel.

The current programs of the SECU academic initiative include:

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.
- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the Conference.
- The SEC Faculty Travel Grant Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals and conduct research.
- The SEC College Tour occurs each spring, and administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.
- The SEC Symposium is an academic conference-type event intended to address a scholarly issue in an area of strength represented by all SEC universities. Held in Atlanta, Georgia, this marquee event puts on display the research and innovation of SEC institutions for an audience of academicians, government officials, grant funding agents and other stakeholders.
- The SEC Cooperative Education Abroad Agreement provides opportunities for students from all SEC universities to access international programs offered at other SEC universities. And as part of a renewable agreement, Italian engineering students from the Politecnico di Torino (PdT) have the opportunity to enroll at SEC universities each fall, and engineering SEC students may study there the following spring.
- The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.
- The SEC Academic Collaboration Grant Program is intended to expand student-focused collaboration among SEC universities. The grant is awarded annually to one SEC institution to support joint activities involving all other SEC universities. Examples of collaborative activities include intra-conference competitions, graduate student recruiting fairs, undergraduate research initiatives, etc.

SEC HEADQUARTERS

Almost 33 years after moving to Birmingham from Jackson, Miss., the SEC moved into its current headquarters on October 15, 1991.

The building is now named for Roy F. Kramer, the SEC's sixth commissioner who retired in July 2002. During his tenure as the league's commissioner, the SEC won 85 national championships and distributed more than $654 million in revenue back to its member instituions.

The 30,000 square-foot building was provided by the city of Birmingham. It was designed to house the SEC staff and accommodate the needs of the various committees, coaches and administrative groups that meet on a regular basis.

From its headquarters, the SEC office certifies the eligibility of all student-athletes, manages championship events, enhances academic opportunities for student-athletes, monitors NCAA and SEC compliance, coordinates officiating assignments, negotiates television contracts, distributes conference revenue, cultivates corporate sponsorships and coordinates media and public relations efforts.

In 2005, a state-of-the-art video command center was built inside the headquarters and named for the late Brad Davis, the SEC Associate Commissioner who was responsible for its development. Davis passed away on March 2, 2006.

The building also features a rotunda that highlights school banners, championship pedestals and two galleries displaying the member institutions.

The SEC Office underwent a vast renovation in the fall of 2012, and an upgrade to the Davis Command Center was completed for the fall of 2014.

SEC COMMISSIONER GREG SANKEY

Greg Sankey became the eighth commissioner of the Southeastern Conference on June 1, 2015, after serving on the SEC staff for 13 years in various leadership positions.

Sankey, 51, was an integral part of former commissioner Mike Slive's efforts to reshape the SEC's governance, enforcement and compliance program, and he also oversaw the SEC's championships staff. Most recently he played a central role in crafting the new autonomy governance structure of the NCAA, which is intended to provide the 65 institutions from the Five Conferences (ACC, Big Ten, Big 12, Pac 12 and SEC) with increased decision-making authority over policies designed to provide support for student-athletes' pursuit of academic and athletic achievements.

"The institutions of the Southeastern Conference searched for a commissioner who would carry forward the momentum of success enjoyed by the SEC over the last decade while also possessing a vision for change in the modern era of college athletics," said Zeppos. "Greg Sankey's experience with our institutions, his respect on the national landscape, his understanding of the balance of athletics and academics, and his passion for the welfare of student-athletes make him the perfect leader for the SEC."

Sankey is active within the NCAA committee structure, which includes his current service on the NCAA Gender-Equity Task Force and the Division I Committee on Infractions, for which he currently serves as chair.

He joined the SEC staff in 2002 as Associate Commissioner and was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012.

"The universities of the SEC represent the greatest combination of academic and athletic excellence and I am honored to be selected to follow Mike Slive as commissioner of the Southeastern Conference," Sankey said. "The SEC is poised to make a difference in the lives of student-athletes for generations to come. We must ensure that the lessons they learn from their achievements in competition and in the classroom translate into success in life after college."

Prior to joining the SEC staff, Sankey was Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference he was director of compliance and academic services at Northwestern State University in Natchitoches, Louisiana. While at Northwestern State, Sankey also coached the Demons' golf teams for two years. Previous to his tenure at Northwestern State, he was the director of intramural sports at Utica College in upstate New York.

On March 12, 2015, the presidents and chancellors of the SEC announced Sankey would succeed Slive as commissioner of the SEC.

A native of Auburn, New York, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, Alabama, and have two daughters, Hannah Michelle (23) and Moriah Elizabeth (19).

OFFICIAL SPONSOR PROGRAM

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education.

Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs and SEC Academic Enhancement Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Allstate Insurance, AT&T, Belk, Dr Pepper, Gatorade and Regions Bank.

PROGRAM MISSION

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

2016 SEC TOURNAMENT

The Southeastern Conference Baseball Tournament returns for a 19th consecutive year to the Hoover Metropolitan Stadium in the south-Birmingham city of Hoover, Ala., May 24-29.

The 2016 SEC Baseball Tournament will continue to feature 12 teams and will remain set to begin on Tuesday, May 24. Seeds 5-12 will meet in a single elimination format on the opening day of the tournament, followed by traditional double-elimination play Wednesday-Friday. The tournament will return to single elimination play on Saturday. A total of 17 games will be played throughout the tournament.

The 12 teams are seeded 1-12 with the two divisional champions and top four seeds guaranteed opening-round byes, with the possibility of earning another later in the bracket. The tournament field will include the top teams from the SEC's Eastern and Western Divisions plus 10 at-large bids seeded 3-12 based on conference winning percentage.

In 2015, Florida defeated Vanderbilt 7-3 in a championship game that featured two top 10 teams and a national television audience.

The Hoover Met formerly served as home of the Double-A Birmingham Barons (Chicago White Sox) of the Southern League. The stadium also has served as host of the NCAA Men's Soccer Final Four, as well as home to the nationally renowned Hoover Buccaneer high school football program.

Located eight miles south of Birmingham, Regions Park seats 10,800 for baseball, but can accommodate over 16,000 when the patio, banquet and side grassy areas are used. The stadium also houses 12 suites and state-of-the-art dressing and training rooms. Wireless internet access was added in 2004, concourse and signage renovation was done in 2005 and a second-level pressbox expansion, new stadium seating and an exterior facelift in 2007 completed a $6 million renovation project. A new HD video scoreboard was added in 2008, while the SEC introduced the nation to a 'pitch clock' in 2010. A new sound systems and concourse amenities such as refurbished restrooms big screen HDTVs at concessions stands were added in 2012.

The 2015 SEC Baseball Tournament drew 132,178 fans to The Hoover Met, a new record-high for the event. Twelve times in the last 14 years the tournament has surpassed the six-digit mark in total attendance.

The SEC is scheduled to keep its baseball tournament in Hoover at The Hoover Met through 2016 under the current contract.

All games of the tournament have been televised in high definition since 2008. In 2015, for the first time in the history of the tournament, all games of the SEC Baseball Tournament were nationally televised.

SEC TOURNAMENT SEEDING: The two division champions shall be automatically seeded number one and number two based on winning percentage in conference competition. The rest shall be seeded numbers three through 12 based on winning percentage without regard to division. Ties will be broken in the following manner:

1. Two-Team Tie. The following procedure will be used in the following order until the tie is broken:
   A. Won-lost results of head-to-head competition between the two tied teams.
   B. If two-teams are divisional opponents:
      (1) Won-lost percentage within their division (over the 15-game SEC division schedule).
      (2) Won-lost percentage of the two teams versus the No. 1 team in their division (and proceeding through the No. 7 team, if necessary).
   C. If two teams are not divisional opponents:
      (1) Won-lost record of the two teams versus the No. 1 seed using common opponents only (and proceeding through the No. 12 seed, if necessary).
      (2) Coin flip by the Commissioner

2. Three-Team Tie (or more). The following procedure will be used in the following order until the tie is broken: (Note: If the three tied teams have three different records against each other, they shall be seeded in best-percentage order.) Otherwise, once the tie has been reduced to two teams, the two-team tiebreaker procedure will be used.
   A. If all three teams are common opponents: Total won-lost percentage of games played among the tied teams.
   B. Won-lost percentage of the tied teams versus the No. 1 seed and proceeding through the No. 12 seed, if necessary, using common opponents only.
   C. If three or more teams still are tied, the Commissioner will conduct a draw.

GAME 11

The championship game featuring LSU and Mississippi State was called due to lightning and rain with one out in the bottom of the fourth inning with LSU leading 6-0. LSU and Mississippi State were declared tournament co-champions by SEC Commissioner Roy Kramer. The league did not submit an automatic qualifier to the NCAA Tournament. However both schools, as well as Georgia, were selected as at-large qualifiers.

TEAM-BY-TEAM NOTES

ALABAMA CRIMSON TIDE

The Alabama Crimson Tide reached the SEC Baseball Tournament for the 32nd time in program history thanks to a 1-0, shutout win of seventh-ranked Vanderbilt to close out the season. The Tide would wrap up the tournament with a pair of wins in four contests before falling to Vanderbilt in the quarterfinal round. Sophomore Geoffrey Bramblett led the Alabama baseball team to a 6-1 win over Ole Miss in the opening round of the 2015 SEC Tournament on Tuesday morning. The Crimson Tide starter tossed his second career complete game in as many chances during the postseason. In just his second postseason start, Bramblett went the distance once again. Despite allowing a season-high tying nine hits, the Rebels could not string them together for more than one run by day's end. The Crimson Tide starter recorded a career-high 10 strikeouts and did not allow a free pass in the start for the second time this season. The pitching effort was matched by a clutch hitting effort from the Crimson Tide bats. By day's end, the offense collected 11 total hits, nine of which came with two outs. Alabama was led by multi-hit efforts from Casey Hughston, Mikey White and J.C. Wilhite. Hughston knocked a double while collecting a team-high two RBI by day's end. Alabama's rally in the ninth came up just short as the Crimson Tide fell to Texas A&M, 4-3, in the second round of the 2015 SEC Tournament. Following an eighth inning that saw the Aggies score one for the lead, the Crimson Tide could not rally for the clutch hit with runners on in the ninth. Alabama took an early, 3-0, lead with two in the second and one in the third, but the Aggies would answer with a three-spot in the bottom half of the third frame. The two teams went scoreless until the bottom of the eighth when TAMU would knock a one-out single up the middle to bring across the go-ahead run and send the game to the final frame with the Crimson Tide trailing, 4-3. In the ninth, Cody Henry drew a one-out walk to start the comeback effort for Alabama and was replaced by pinch-runner Daniel Cucjen. J.C. Wilhite came to the plate and singled through the right side to give the Tide runners on first and second with one down. In the next at-bat, Will Haynie knocked a single to left to put the runners in motion. The deep single allowed Cucjen to try to score for the game-tying run, but an accurate throw from the Aggie left fielder cut down the runner at home. Still with two on, Riley Colburn was hit by a pitch to load the bases, but Chandler Avant would fly out to center to end the contest. Will Haynie's solo home run in the seventh inning broke the tie, lifting Alabama baseball to the 4-3 win over Missouri inside the Hoover Met on Thursday morning in the Crimson Tide's third game of the tournament. Senior Taylor Guilbeau collected his third win of the season and his first against an SEC foe with a 7.0 inning, three-run performance. The left-hander tossed 104 pitches and struck out four by day's end. Fellow senior Jay Shaw tossed a 1-2-3 inning in the eighth and sophomore Thomas Burrows closed out the ninth with two strikeouts to earn his seventh save of the season. Alabama baseball's tournament run ended, as the seventh-ranked Vanderbilt Commodores used an eight-run fourth inning to help secure a 16-1 victory in the quarterfinals of the 2015 Southeastern Conference Baseball Tournament Friday afternoon. The second-seeded Commodores recorded an SEC Tournament record-tying eight doubles and posted 19 hits for 16 total runs in the seven-inning victory. MISSISSIPPI STATE BULLDOGS

Mississippi State finished its 2015 season with an overall record of 24-30, including an 8-22 mark inside the Southeastern Conference. The losing record snapped MSU's four-year stretch of making the NCAA and SEC Tournament. The .267 winning percentage in conference play was the second lowest in the modern era (since 1950), while marking the first time since 1975 the Bulldogs recorded just one series win in conference action. State began the season with the fourth-best start in school history (13-0), and was ranked as high as No. 7 nationally in the USA Today Coaches' Poll (March 2). Following the perfect start, MSU ended the spring 11-30. State lost 18 of its final 21 games, the worst 21-game stretch in school history. A big reason for the lack of success was due to the 272 total games missed due to injury, or the equivalent of five total players missing the entire 54-game regular season. As a whole, the team finished the regular season with a .271 batting average (ninth in the SEC). The top three hitters for MSU were all sophomores – outfielder Jacob Robson (.324), outfielder Cody Brown (.309) and infielder Luke Reynolds (.304). Reynolds finished the last 10 games of the regular season as one of the hottest hitters in the conference, going 20-for-40 (.500) with seven doubles. On the mound, the Maroon and White finished with a 4.51 ERA (14th in SEC), its highest total since 2010 (6.90). Three of the top five starting pitchers for MSU were underclassmen, while underclassmen started a total of 248 games on offense. Defensively, John Cohen's ballclub remained one of the top defensive teams in the country, ranking second nationally with 63 double plays and finishing 11th in NCAA in the regular season with a .977 fielding percentage. Since 2012, MSU ranks first in the NCAA with 264 twin killings and fifth with 2,032 strikeouts. The loss dropped the Tigers to 30-28 on the season. Mizzou struggled down the stretch but much was due to the schedule as nine of the Tigers' final 18 contests came vs. top-10 teams. Eight of those nine games against top-10 teams were played away from home (3 at Vanderbilt, 3 at LSU, 1 at Missouri State 1 vs. Vanderbilt at the SEC Tournament). Mizzou was the only team in the SEC to play five teams that were ranked No. 1 in any of the major polls at any point of the season in 2015 (LSU, Vanderbilt, Florida, Texas

Benintendi is the first Arkansas player to be named SEC Player of the Year.

Fulmer became the third Vanderbilt player all-time to earn SEC Pitcher of the Year honors, joining David Price and Grayson Garvin. He wrapped up the SEC pitching triple crown on Thursday night to lead the league in wins (11), ERA (1.51) and strikeouts (132). Fulmer has moved into a tie with Sonny Gray for the third-most strikeouts in a single season by a Commodore with 132 punch outs this season. He is the first pitcher to win the SEC triple crown since Tennessee's Luke Hochevar in 2005. He finishes the regular season as the only pitcher in the league with an ERA under 2.00 and the only pitcher with more than 100 strikeouts.

Lange is the fifth LSU player since 2000 to earn SEC Freshman of the Year accolades. He ranks second in the SEC in ERA overall (2.11) and third in conference games only (2.33). Lange is one of only three pitchers in the SEC to strike out 90 or more batters, and is one of only two SEC pitchers to earn 10 or more wins on the year.

Mainieri was named the SEC Coach of the Year for the second time in his career after leading LSU to their league-best SEC regular-season championship. It was the third title during Mainieri's nine-season tenure. LSU also won the SEC Western Division title for the 18th time in school history and for the fifth time under Mainieri. The Tigers finished the regular season with 46 wins, the third-highest regular-season total in school history.

Heck has earned a 4.0 GPA every semester he has been at Mississippi State, including spring 2015. He graduated May 9 with a degree in business administration and was Mississippi State's male nominee for the H. Boyd McWhorter Scholar-Athlete Post-Graduate Scholarship, given to the league's top scholar-athlete. Heck was named to the 2015 Capital One Academic All-District first team for District 6, making him a candidate for 2015 Academic All-America honors. The 2014 SEC Scholar-Athlete of the Year, Heck has been a member of the SEC Academic Honor Roll every year he had been on campus.

This 2015 season marked the 81st season of conference play in the Southeastern Conference. In 1933, baseball became one of the first sports in which the SEC crowned a champion. The league did not sponsor teams in 1945 and 1946 due to World War II.

The SEC standings below include all regular-season games from 1933-2015, with SEC Tournament games counting in 1993 and 1994.

In 1984 the Southeastern Conference developed the Academic Baseball Honor Roll. The new format was adopted to recognize those athletes who had a 3.0 grade point average (either cumulative or during the past year), and had 24 semester or 26 quarter hours countable toward a degree. Prior to the 1996-97 season, the SEC dropped the requirement of earning a letter for that season.

2015 SEC BASEBALL ATTENDANCE BREAKDOWN

2015 SEC ATTENDANCE LEADERS

June 19, 2015 - Final

Year after year, the SEC continues to be the benchmark in paid college baseball attendance. The SEC and its member schools own virtually all regular season, conference tournament, NCAA Regional and Super Regional attendance records. The SEC and one of its institutions have led the NCAA in total and average attendance for the last 16 seasons in a row, and 21 of the last 27 years. In 2007, the SEC drew nearly 1.7 million and averaged for 4,000 per game for first time in history. New records were once again set in 2011 as the league drew over two million for the first time ever, as well as nearly 5,000 per game. An NCAA-record 2,319,937 total fans attended regular-season games in the SEC in 2014. The 2015 season marked the 12th year in a row the SEC has topped the one million mark in attendance, leading the nation once again in that category by a wide margin.
