City of Baraboo Residents:

Peterson Sanitation, Inc. is excited to announce that we will be your new refuse and recycling collector beginning **April 15th, 2024**.

We are taking this time to answer some questions you may have regarding this change.

- Can I still use my same cart? Yes. Peterson Sanitation Inc. uses the same collection equipment that the City of Baraboo did. Each residence will be allowed one refuse cart and one recycling cart.
- Will my pickup day remain the same? Yes. Peterson Sanitation Inc. will use the same collection schedule that Baraboo did. If your collection day will change, Peterson Sanitation will notify affected customers 60 days prior to any collection day change. **Carts must be placed for collection prior to 7:00am on the day of your scheduled collection. Carts placed after 7:00am will not be guaranteed collection.**
- Do all materials still have to be in carts? Yes. Material must be in carts to be collected with our automated collection equipment. If you have excess materials, and no more cart space, please contact our office at 608.524.6603 to make arrangements for collection of extra materials.
- Who do I call for an extra cart? Collection carts will still be sold by the City of Baraboo. Fees associated with collection of extra carts must be paid to Peterson Sanitation prior to collection of extra carts. Please contact our office at 608.524.6603 to arrange for collection of extra carts prior to ordering your cart from the City of Baraboo.
