MEDIA BUREAU EXTENDS LOW POWER FM FILING WINDOW

By this Public Notice, the Media Bureau (Bureau) announces that the deadline for filing Form 318 applications for new low power FM (LPFM) stations will be extended from November 14, 2013, until November 15, 2013, 3:00 p.m. EST.

The LPFM window is currently open and scheduled to close today at 6:00 p.m. EST. The Bureau recognizes that earlier today technical issues with the Consolidated Database System briefly prevented or delayed some potential applicants from filing the Form 318 applications. The extension is designed to ensure that all applicants are able to complete and timely file applications.

Additional information on the LPFM service and LPFM station licensing procedures may be found at: <http://www.fcc.gov/encyclopedia/low-power-fm-broadcast-radio-stations-lpfm>.
