When completed please send original documents to: Michael Mantha, MPP

Room 320, Main Building, Queen's Park, Toronto, ON. M7A 1A7

To the Legislative Assembly of Ontario:

WHEREAS Ontarians should get health care based on need — not the size of your wallet;

WHEREAS Premier Doug Ford and Health Minister Sylvia Jones say they're planning to privatize parts of health care;

WHEREAS privatization will bleed nurses, doctors and PSWs out of our public hospitals, making the health care crisis worse;

WHEREAS privatization always ends with patients getting a bill;

THEREFORE, WE THE UNDERSIGNED petition the Legislative Assembly of Ontario to immediately stop all plans to further privatize Ontario's health care system, and fix the crisis in health care by:

- Repealing Bill 124 and recruiting, retaining and respecting doctors, nurses and PSWs with better pay and better working conditions.
- Licensing tens of thousands of internationally educated nurses and other health care professionals already in Ontario, who wait years and pay thousands to have their credentials certified.
- Making education and training free or low-cost for nurses, doctors and other health care professionals.
- Incentivizing doctors and nurses to choose to live and work in Northern Ontario.
- Funding hospitals to have enough nurses on every shift, on every ward.
