Dear Mr.Gabel,

Thank you for your e-mail.

I`m afraid my German is not quite good to reply correctly, so I ll do it in English.

Hope you will understand it.

You are perfectly right about the posts in Wikivoyage.

One of the tasks of our employee Mrs Lidiya Pashalyiska is to upload text about Rhodopes and make as much as possible people know about the region.

Thank you for your help to Lidiya in her work in Wikivoyage.

Hope you will decide to visit Bulgarian and especially the Rhodopes region, which is less known , but is with wonderful nature.

You could enjoy the winter sports in the winter resort Pamporovo, which is near Smolyan - the city , where our company is based.

You could find out more about us at:
