

University of Kentucky, Department of Communication Sciences and Disorders, Master of Science

Applicants pursuing licensure must have graduated with a master's degree in speech-language pathology from an accredited program and hold a Certificate of Clinical Competence in speech-language pathology (CCC-SLP) from the American Speech-Language-Hearing Association (ASHA). UK's Master of Science in Communication Sciences and Disorders is accredited by the Council of Academic Accreditation in Audiology and Speech Language Pathology of the American Speech-Language-Hearing Association and meets the graduate coursework and clinical standards for CCC-SLP and leads to students being able to apply for the ASHA Certificate of Clinical Competence.
