CAMPSITE RESERVATIONS

Reservations for the 2024 camping season are now being accepted.

Camping reservations can be made on-line at <https://maitlandvalley.goingtocamp.com> . **This is the recommended and most effective method to make a campsite reservation. You can reserve a campsite; view an existing booking; make changes or cancel your booking; and view site availability.**

Staff have limited availability to accept phone reservations and we do not have a call centre. All staff are involved in many aspects of park operations which limits their availability to answer calls. Once the park is in full operation – typically June, July and August - there will be additional staff tending the phone line more regularly.

Reservations by phone are accepted directly at the park at 519-524-6429 (1-877-FALLSCA) during park office hours of operation. If staff are not able to answer the phone, please leave a message and staff will return your call when they are available to do so.

As in past years, we ask that campers have a campsite reservation in place before arriving at the park to avoid disappointment.

CAMPSITE RESERVATION POLICY

- All campsite bookings are subject to a non-refundable reservation fee.
- 3-night minimum stay is required on holiday weekends.
- 2-night minimum stay is required on weekends in July and August.

- **Last Minute Changes:** Reservations changed six (6) or fewer calendar days prior to the booking arrival date by delay of booking arrival to new arrival date will forfeit 1 night's camping or the minimum stay requirement.
