Pathway to VA

Match into an accredited residency program for an in-demand specialty. Apply for and accept SELRP benefits. Complete your training with financial peace of mind. Serve as a full-time patient care provider at VA for 2-4 years.

Residents must be U.S. citizens and have more than one year remaining in residency. The following high-need specialties are preferred:

- 👍 Family Medicine
- 👍 Geriatric Medicine
- 👍 Internal Medicine
- 👍 Psychiatry

- 👍 Urology
- 👍 Emergency Medicine
- 👍 Gastroenterology

Consider applying for SELRP if:

- You have more than one year remaining in residency, and
- You'd like up to \$40,000 each training year for paying down student loans, and
- You want a guaranteed job with strong benefits and an excellent work/life balance

Receive priority on your SELRP application if:

- You're currently matched, or planning to match, to a program in a rural area, or
- Your training program is at a facility operated by tribal organizations, or
- You're a Veteran
